

**TRANSFER CREDIT EVALUATION**

Appropriate credit may be granted for prior training received upon review and verification by college officials of its validity. Students must submit an official transcript of previous work done which reflects a passing grade in subjects that are common to those in the program in which students is enrolling. If a student wishes to transfer out of Texas Beauty College, a student must be paid in full and make up any missing assignments up to that point. There is also \$5.00 transfer fee (for paperwork).

\*The school does not have any articulation agreements with another school
